2FA gebruiken bij het inloggen

Na het inloggen op Petear voert u de 2FA-code in. Deze code neemt u over uit de authenticator-app. Klik daarna op [Inloggen].

The screenshot shows the Petear login interface. At the top, the Petear logo and tagline 'papierloos vergaderen' are displayed. Below this, a message states: 'Vul hieronder de twee-factor code van je ingestelde authenticator app in'. A text input field labeled 'Twee-factor verificatiecode' is provided for the user to enter the code. Below the input field are two buttons: 'UITLOGGEN' (grey) and 'INLOGGEN' (orange). At the bottom of the form, there is a footer with the text 'Voor vragen neem je contact op met Kees 0612345678' and a 'Help' link with an information icon.
